May 26, 2016 Memo # 0018

Dear F4 Teams,

I would like to highly recommend that all F4 teams that plan on competing at the first event in Mid-Ohio get all of their paperwork turned in. You can do it right online or print out the copies fill them out and email back to me. The only document which must be printed in color and signed by a notary public or SCCA Registrar is the Annual Waiver. These can be mailed to me at the following address:

SCCA Pro Racing
4035 Championship Drive
Indianapolis, IN 46268

The deadline to get your forms completed and in to me is Friday, June 3rd. Any forms received after this date are not guaranteed to be completed by the first race.

One of the worst things that can happen at the first event of a season is for everyone to bring their paperwork to the racetrack and expect it done then and there. Sometimes there are problems that need to be fixed before the credential can legally be released.

Please send your documentation in asap if you want to have it done for Mid-Ohio and not have lines and worries when you get to the track.

I appreciate your cooperation. It will make it much smoother on both sides.

Thank you,
Cathie Lyon
