MID OHIO MINOR WAIVERS

Dear F4 Teams,

If your driver is under the age of 18 he will need to fill out this paperwork in advance of the Mid-Ohio event. These waivers are in addition to the F4 documents that you should have already completed and sent to Cathie Lyon at the SCCA office in Indianapolis. This is a requirement of Mid-Ohio to race there if you are a minor.

Please read the directions and make sure you have the minor driver and their parents sign the waivers on an original printed in red document and send to Mid-Ohio along with a copy of their birth certificate and/or driver's license. This is very IMPORTANT and must be completed.

Please feel free to call or email Tammi Griffith at the Mid-Ohio Sports Car Course with any questions.
