October 5, 2016 **Memo #0056**

Due to Hurricane Matthew, paddock load-in for our Homestead event has been moved to Friday at 8 a.m.

Team haulers will be allowed to drop off at the Speedway infield today (Oct. 5) until midnight. This is for drop off only, official paddock team placement will occur on Friday.

No unloading will be allowed until Friday.

Track services may not be available Thursday.

The promoter test day for Friday has been canceled. Those who paid for the promoter test day will be refunded in full.

No changes are expected for the official race weekend. Friday should be the backend of the storm and the weather projection for Saturday and Sunday looks nice.
