LH RADIATOR OUTLET BLEED KIT 08-09-9004

FIA Type 1 Mandatory Update

COST: \$370.50

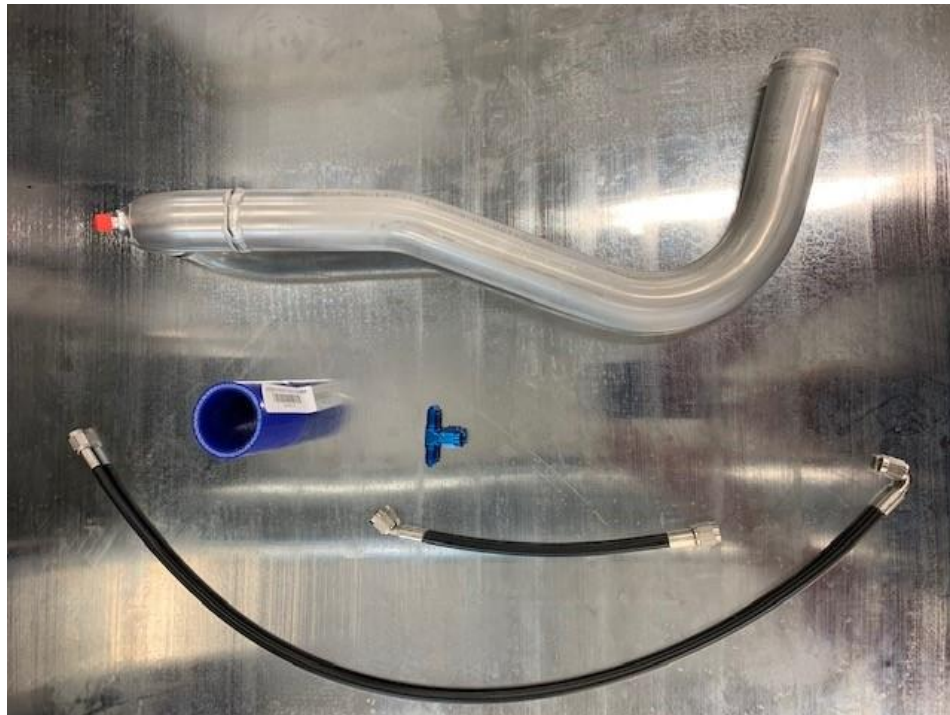

A bleed line has been added to the LH Radiator Outlet to further ease the water bleed process. Parts are available immediately, through usparts@ligierautomotive.com.

The kit includes the following parts:

Part Number	Description
08-09-004 F	PIPE OUTLET LH RAD WATER
LAF03-01	LH RAD BLEED TO TEE
LAF03-02	TEE TO HEADER TANK
08-09-023 B	HOSE SILICONE STRAIGHT
CPL824-03	-3 TEE FITTING
08-09-9004	KIT LH RAD OUTLET BLEED LINE

Existing hose clamps can be re-used.

Please re-bleed carefully using the method described in the HPD engine manual.
