

FR Technical Advisory Memo

No: TAMFR-2020-017

Date: June 17, 2020

Subject: Ligier Memo # H38 GDA Project and DA3 Config

The attached Ligier technical memo provides details on files required by the new ECU firmware for the stall light. The files are attached for your convenience, and are also available for download from the Ligier FTP site.

Contact Chris Lowe at Ligier if you need assistance.
