- All drivers will come down from the podium, and go to the winner's car
- Masks can be removed for the final photo. Winning driver will be in the car seat, P2 at the front wheel and P3 will be in the rear tire for ONE photo. Please follow the direction of Gavin for exact placement.
- Sparkling grape juice will be provided for you to enjoy at your paddock. No spraying on the podium.
- Team of winning driver free to take car back to tech after final photo
- Photographers must be 6 ft from podium and 6 ft from each other
- Family and team members need to be 6 ft behind photographers and with Social Distancing between each other.
- REMEMBER: we only have 10 minutes to get this done, and only 5 minutes to get interviews in before the next group takes the track, so we need to be just as speedy off track as we are on the track.
