

FR Technical Advisory Memo

No: TAMFR-2020-028
Date: August 13, 2020
Subject: Ligier Bulletin #7 Rear Spring Length

Per the attached Ligier Bulletin F3 #7, JS F3 rear springs must be 5 inches in length, while front springs may either be 4 or 5 inch length.

This change is effective immediately.

The springs are Type 1 parts and this is a mandatory update.
