Times for Rescheduled Tech Appointments Due to any Issues (must be approved before pre-tech appt.)

Your Pre-Tech time is important so as not to possibly miss track time

IT IS IMPERATIVE THAT YOU SHOW UP FOR YOUR SCHEDULED TIME! Early is Recommended!!

Notes for Teams:

- Each car must arrive to tech with the exterior bodywork in place so that decals may be inspected. The seat components and fire bottle access panel should be removed before coming to pre-tech.
- Once decals are inspected, the team will remove the shock cover, and the engine cover. Then that car may proceed through tech
- If a team is unable to make their pre-tech appointment, they must notify the Technical Officials before their appointment time. Failure to do so may result in penalties.
- At the first event of the season that a driver attends, that driver must accompany their car to Pre-Tech with their driver gear and a completed Annual Driver Inspection form. The gear will be verified against the completed form, the official driver weight will be taken, and the jump out test will be completed.
