

Formula Regional Americas Championship

Canadian Tire Motorsport Park

3 – 6 September 2026

From	The Stewards	Document	Stewards Decision 608
To	The Team Managers	Date	5 September 2026
	Toney Driver Development	Time	14:00
	Kiwi Motorsport		

The Stewards, having received a protest from Toney Driver Development on behalf of driver Brady Golan (FR #40) (Document No FR-P1-CTMP), having examined video evidence, summoned and heard from driver Brady Golan and team representative Nathan Toney (Toney Driver Development or “TDD”) and driver Cooper Shipman (FR #10) and team representative Stephen Giles (Kiwi Motorsport), have considered the following matter and determine the following:

No/Driver	10 – Cooper Shipman
Competitor	Kiwi Motorsport
Time	11:32
Session	Race 2 (Round 16 of the Championship)
Facts	TDD filed a protest against FR #10 alleging that the driver accelerated well before the assigned restart zone. The Stewards reviewed the protest, found it timely and admissible, and summoned the drivers and team representatives for a hearing at 13:45. The drivers and team representatives named above represented the respective teams at the hearing.
Offence	Alleged breach of the Race Director’s instructions in Driver & Team Meeting Notes – Safety Car Lights Out & Restart Acceleration Point.
Decision	No further action. The protest is disallowed.
Reason	The Stewards determined that car 10 followed the Race Director’s instructions as written in the Driver & Team Meeting Notes. Mr. Golan felt that there was a discrepancy between those Notes and the Power Point presentation in the actual meeting, but the Stewards found no evidence to support that assertion. The Stewards disallow the protest and direct the protest deposit to be retained by Racing America.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards in accordance with Article 16.2 of the Sporting Regulations, except where the penalties are not susceptible to appeal (Articles 16.1.4.d, 16.2.2.e and 16.2.5 of the Sporting Regulations), within the applicable time limits.
