Transponders: All F4US cars are required to have a working transponder mounted in factory location. Please register your transponder numbers before the event with Steve Oseth – soseth@sccapro.com or CheriLea Roduner – croduner@sccapro.com.

Video Cameras:

All F4US cars must have operable video cameras located in the stock position on the left side of the roll bar. All cars must submit video cards to tech within 30 minutes of the end of that session. SEE Rules Clarification # 0005 for complete procedure description.

Starting Light Systems / Standing Start Practice:

Standing start practice will be available during Friday practice sessions. The lights will be located in the last pit stall before pit exit. Drivers must complete at least two observed practice starts prior to qualifying.

Golf Carts:

Commercial Liability Insurance: Documentation from your Insurance Carrier that you have Commercial Liability Coverage for your pit vehicle, golf cart (owned or rented) and to obtain your PIT VEHICLE PASS, must be provided to IMS. A full explanation of this requirement and process was sent to you in the Golf Cart Memo dated May 16. Please take time to review the information carefully and follow the instructions.

Included will be numbers to call at IMS on any questions. SVRA has eased this process by creating an Insurance Coverage Program to handle this IMS requirement. This program is available for \$65 dollars by contacting Kathy (kathy@svra.com). Any Pit Support Vehicle found without this pass will be parked for the duration of the event by the Speedway.
