

## TECHNICAL ADVISORY MEMO

**No:** TAMF4-2018-007  
**Date:** April 18, 2018  
**To:** All  
**Subject:** Clarification to TAMF4-2018-006 and new minimum weight

The anti-intrusion kit described in Onroak bulletin F4.14.04.11.2018 may not be installed in any cars competing at the VIR event. As noted in TAMF4-2018-006, the kit will be required in all cars at the Road Atlanta event.

Effective at Road Atlanta, minimum weights in the 2018 F4 Sporting Regulations will be revised to reflect the weight added by the kit. See TRBF4-2018-002.
