

F4 Technical Advisory Memo

No: TAMF4-2019-008
Date: October 18, 2019
Subject: HPD Bulletin F4-2019-EN002 Cam Cover Breather

See this HPD bulletin for information on the breather and its installation.

HPD will distribute F4 cam cover breathers at the 2019 COTA event. Teams may pick up breathers for all cars entered, as well as for any cars not at COTA. To obtain breathers after the 2019 COTA event, contact GRMSAdmin@hra.com. There is no charge for the breather.

The breather must not be installed at the 2019 COTA event. Any cars found with breathers installed at COTA will be subject to a tech violation.

The breather is a mandatory update for the 2020 season. It must be installed on all cars in 2020. The entire breather assembly is a Type 1 part and must be used exactly as supplied and installed exactly as described in the HPD bulletin.
