**No:** CAMF4-2019-001

**Date:** March 14, 2019

**Subject:** CAMF4-2019-001 Red Line Oil Named Series Preferred Supplier

Red Line Oil has been named the preferred engine and transmission oil supplier for the 2019 US F4 Championship. Teams are encouraged, but not required, to use Red Line products.

Red Line Oil stickers are required on all cars, located as described by the Style Guide. SCCA Pro Racing will stock stickers in the series trailer.

Teams may purchase Red Line oil at wholesale prices from Summit Racing Equipment (800-230-3030) or Jegs (800-345-4545). The series will stock a limited supply of oil on the series trailer, to cover emergency needs during events. Teams should not rely on this supply exclusively, as it will be a limited quantity.
