

## F4 Technical Advisory Memo

**No:** TAMF4-2020-004  
**Date:** February 13, 2020  
**Subject:** Lap Belts

The F4 car was homologated with lap belts that adjust only at the point where they bolt to the tub. Belts with a separate adjustment mechanism will not pass technical inspection. Sabelt part number for the correct belts is CFCI0318.
