

## FR Americas F4 US Championship 2021 Guest Pass Policy

The number of guests included in the event entry fee has been set at four per car per event. If you have more adult guests than that number, each guest over the four will incur a \$25 overcrew pass. Minors (under 18) will not be included in the count.

I will need to have the names of those folks who you are expecting will attend as guests. You may enter them at the time you complete your race entry on the Dashboard in the section which says "Do you have Event Guests". Or you may email them to me at [FRF4Registration@parellamotorsports.com](mailto:FRF4Registration@parellamotorsports.com). If you aren't sure who might attend, please give me the names of those you reasonably anticipate will be there.

If you have someone who is going to need an Event Only hot pit pass, please indicate by using "- Hot Pit" after their name in the Dashboard or in your email. The fee for weekend hot pit event credential is \$70 per person per weekend.

As a reminder, your guests will need to arrive while FR/F4 Registration is open. Once Registration has closed, the promoter controls the access to the facility and your guests may need to purchase a ticket.

If your guests prefer to purchase tickets so they can arrive on their own schedule, tickets can be purchased at <https://speedtour.net/> for events being promoted by SVRA. (Road Atlanta, VIR, COTA) At the other locations, the track is promoting the event and tickets are available on their website.

I won't reconcile the guest count against the number of available slots until after the weekend is over. For example, if you provide five names for a particular car/driver, and only three folks are able to attend, you will not incur any additional charge.

If you have any questions about this policy, please don't hesitate to ask.
