

F4 Competitor Advisory Memo

No: CAMF4-2021-012
Date: April 23, 2021
Subject: Hankook Tire Ordering Process- UPDATE

The new tire ordering portal has been launched and can be accessed at: <https://frf4tires.com/>

If you prefer to order via the [PDF order form](#), you can continue to do so and return the order form to f3f4@hankookmotorsports.com.

All tires must be paid prior to being released. No exceptions.

Hankook requests that orders be made 2 weeks prior to an event to guarantee availability. If you order with less than 2 weeks' notice, Hankook may not have the tires on the truck for you, and you will be liable for shipping costs.

Hankook can take payment on the track, if needed, but if you do not order ahead of time, they cannot guarantee that they will have tires for you at the event.

Service charges will be billed after the event.

If you have any additional questions, please reach out to Nikki at f3f4@hankookmotorsports.com.
