Re: F4 U.S. Round 4

Date: May 16, 2021

Per Article 6.4, no points will be awarded for Round 4 of the 2021 F4 U.S. Championship as all laps were completed under the Safety Car.

Furthermore, the grid for Round 5 of the 2021 F4 U.S. Championship will be drawn up in the order of the fastest qualifying time achieved by each driver in the qualifying session reflecting any penalties incurred during Round 4.

We will evaluate if and when Round 4 can be made up later in the season.
