Re: Session Lengths

Date: June 2, 2021

Due to the scheduling constraints and the late addition of FR Americas to the Vintage Grand Prix weekend at Mid-Ohio Sports Car Course, the following session lengths will be changed for both F4 U.S. and FR Americas Championships:

- Practice: 20 minutes
- Qualifying: 20 minutes
- Races: 25 minutes

This is reflected in both the Event Supplemental Regulations and the Official Schedule.

Clerk of the Course
