Post-Race Procedures

Post-Race Traffic Flow

- After the checkered flag, drivers will take a cool down lap and make their way to the pits.
- The top three drivers will proceed to Victory Circle, located just inside the paddock from the paddock entrance, and stop. The rest of the drivers will proceed to the F4/FR paddock and/or impound. All drivers will observe parc fermé procedures.
- The top three drivers will exit their cars and prepare for the Victory Circle celebration. The teams of P2 & P3 will take their cars immediately to tech in the F4/FR paddock.

Interview

- Winning driver will do his/her celebration, then stand by the car to wait for interview (take off equipment and leave in car) from GreenLight.TV.
- Stream crew will interview the winning driver for the Live Stream by his/her respective car in the winner's circle, no mask is needed for this interview.
- After the winning driver completes his/her interview, proceed to the podium and maintain 6-foot distancing. Masks will not be required for drivers on the podium unless they prefer to wear one.
- Live Stream interviews will be used for post-race notes and quotes, eliminating multiple contacts with the same driver.
- There will NOT be post-race media conferences. Media will reach out to drivers as needed.

Podium

- We will continue the “no contact” trophy presentations unless there is a trophy presenter. In that case, drivers and presenters will be required to wear masks. Presenters and drivers should refrain from handshakes.
- Drivers are to remain separated as the podium steps will remain further apart.
- John Fippin will conduct a SHORT interview with each driver on the podium.
- Donna Bastrzycki will present a hat for you to wear onto the podium.
- We WILL do the hat dance for this race. A line of hats will be on your podium step. All used hats will be placed in the individual baskets located behind the podium steps. You can collect your basket of hats at the end of the podium celebrations
- Photos will be taken of the drivers on the podium with provided hat and trophy.
- After the last photo, winning team will move winning car away from the podium before celebrations start.
- The team of winning driver will need to take the car directly back to tech after final photo.
- Sparkling grape juice (already uncorked) will be provided for you to you. Please remember that this is white grape juice. It is sticky. You have three races in the summertime heat. We recommend NOT spraying each other until at least the last round. **When you're spraying DO NOT spray the photographers OR the camera crew, their equipment is expensive.**
- Photographers must be 6 ft from podium.
- Family and team members need to be 6 ft behind photographers and social distance amongst each other.
- MASKS MUST BE WORN AT THE VICTORY CIRCLE CEREMONY, unless you are a driver on the podium.

REMEMBER: we only have 10 minutes to get this done, and only 5-7 minutes to get interviews in before the next group takes the track, so we need to be just as speedy off track as we are on the track.
