

F4 United States Championship

Road America

18 – 21 May 2023

From	The Stewards	Document	Stewards Decision 207
To	The Team Manager	Date	21 May 2023
	Jay Howard Driver Development	Time	13:15

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from driver Michael Boyiadzis and team representative Jay Howard, have considered the following matter and determine the following:

No/Driver	3 – Michael Boyiadzis
Competitor	Jay Howard Driver Development
Time	9:33
Session	Race 2 (Round 5 of the Championship)
Facts	Car 3 made nose-to-tail contact with car 30, on the straight between turns 3 and 4, which lifted the rear axle of car 30 off the racing surface. This caused car 30 to lose control and impact the concrete barrier on the left side of the circuit. Based on the driver's testimony during the hearing, the contact was intentional.
Offence	Breach of Articles 15.1(d) and 15.5.1(i) of the Sporting Regulations.
Decision	Suspension from Round 6 of the Championship at Road America and Rounds 7, 8 and 9 at Mid-Ohio Sports Car Course.
Reason	The Stewards determined that car 3 was wholly responsible for the collision with car 30, causing that car to retire from the race with substantial damage. Based on video evidence and the driver's testimony, the Stewards deemed the collision to be an unsafe act detrimental to auto racing, open-wheel/single seater racing, SCCA Pro Racing, PMH, sponsors, participants and fans.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards in accordance with Article 16.2 of the Sporting Regulations, except where the penalties are not susceptible to appeal (Articles 16.1.4.d, 16.2.2.e and 16.2.5 of the Sporting Regulations), within the applicable time limits.
