Times for Rescheduled Tech Appointments Due to Mechanical Issues (must be approved before pre-tech appt.)

Due to a shortened weekend, being on time for your Pre-Tech schedule is important so as not to possibly miss track time

IT IS IMPERATIVE THAT YOU SHOW UP FOR YOUR SCHEDULED TIME! EARLY IS RECOMMENDED!!

Pre-Tech Notes for Teams:

1. Each car must arrive to tech with the exterior bodywork in place so that decals may be inspected. The seat components and fire bottle access panel should be removed before coming to pre-tech.
2. Once decals are inspected, the team will remove the shock cover, and the engine cover. Then that car may proceed to the mechanical inspection station.
3. If a team is unable to make their pre-tech appointment, they must notify the Technical Officials before their appointment time. Failure to do so may result in penalties.
4. New drivers must escort their cars to pre-tech with their gear so the gear may be inspected, the jump out test may be completed, and the official driver weight may be recorded.
