

2020 FLAT ROCK/TOLEDO SPEEDWAY BULLETIN (3-2-20)

The winter office for both tracks is at the Toledo Speedway Automotive Building on the east end of the grounds; phone number, 419-727-1100 and mailing address remain the same.

The Late Model class name has been revised to **Outlaw Super Late Models (OLSM)**.

THANK YOU to Moran Chevrolet (Flat Rock Outlaw Super Late Models and Outlaw Super Late Model Gold Cup Series), Victory Lane Quick Oil Change (Figure 8's), The Vault Antiques and Treasures (Enduro and Factory Stocks), DTS Drive Train Specialists (Street Stock and Gold Cup Series), Royal Truck and Trailer (Outlaw Super Late Model Gold Cup Series) for renewal of their sponsorships and support! R & M Recycling will now become the title sponsor of the ARCA Late Model Sportsman class. CNV Enterprises, owned by Andy O'Bryan (Gold Cup Series) joins us as a new sponsor! Additional sponsorships will be announced as they are secured.

****2020 SCHEDULES** are posted. You can find them under the schedule/results tab or under the Racer info tab on the home pages of both of the tracks websites. Pocket schedules will be available around March 25.

FLAT ROCK PAD RENTALS: The form is posted under the Racer Info. Tab of the home page...save \$50 and get a free pit pass to one of the practices if paid by April 1....

FLAT ROCK TURN ONE-TWO WALL/FENCING PROJECT: Weather permitting, the fence posts will be installed the first week of March. **Until we get the added bleacher project figured out (located in turn 1 on the other side of the fuel tank), we will install a cable 5-6 feet away from the wall, which will serve as the barrier between you and the wall. WHEN the bleacher project is completed (probably for 2021 season), we will then paint a line on the back side of the hill asphalt...in other words, NO standing by the fence in front of that line. This is for your safety...please work with us as we make these improvements.

ENDURO ENTRY BLANKS will be available around Mid-March. **We will mail the first one out...this will be the only mailing. They will also be under the Racer Info. Tab on the website.

CAR NUMBERS: **We will again include driver rosters in the souvenir program. IF you are a new driver or you are changing classes or numbers, call Scott before Friday, March 6, so we may include you in the program.

2020 MEMBERSHIP application is posted under the Racer Info. Tab. Cost remains the same as last season. ALL drivers are required to hold a valid ARCA license before your first race you compete in at either track.

TOLEDO: The schedule will have some changes from the past; the first race will be the ARCA Menards East 200 on Saturday night, May 16, under the lights! The Late Model Sportsman and Factory Stocks will practice, qualify and run feature races prior to the 200. ****Flat Rock** will run on Friday night, May 15 for this weekend...more details later.

FLAT ROCK: Motor City Racing Promotions is leasing the track for the Motor City 200 for Saturday, April 25. The CRA/Jeg's Late Models, CRA Jr. Late Models and the Modifieds will compete.

Flat Rock's first race for weekly divisions is Saturday, May 2: Late Models, Figure 8's, Street Stocks. We will NOT race on Saturday, July 4---go enjoy the holiday with your family! All championships are Aug. 22; IF we rain out, the championships will be Aug. 29.

PRACTICE DAYS:** We *strongly suggest* you make it to one of the pre-season practices, get your membership done, get through tech and get some laps. We have 3 practices at Flat Rock: Saturday, April 19; Friday, April 24 and Wednesday, April 29. **Toledo's practice is Tuesday, May 12.** Check the schedules for times. *WE WILL NOT WAIT FOR YOU to get though tech on opening days....**

Bzell Race Fuels (Toledo) and Corrigan Race Fuels (Flat Rock) will once again be a sponsor at the tracks for the 2020 season; they supply us with Sunoco Race Fuel. At this date, it looks like fuel pricing will remain the same as the past 2 years--\$8 a gallon. The bonus programs at both track will continue, as will the \$50 random draw for fuel buyers on that night of racing.

TIRES: Tires will be available around April 13, both at Flat Rock and at Toledo. *The Flat Rock office will be staffed daily beginning in early April---stay tuned for the exact date. We will have pricing information soon.

As a promotion, the tracks have booked a Mobile Gaming Trailer for a night. This features video games inside a trailer and 2 giant screens on the outside of the trailer. The promotion will run from 6 p.m. to 8 p.m. Friday, May 15 at Flat Rock and Friday, July 17 at Toledo.

We welcome Greg Turner and Brad Turner to our tech staff. Frankie Bockstanz Jr. will be our race director this season (Jason Sanderson has retired).
