

NOVEMBER-2019 FLAT ROCK/TOLEDO SPEEDWAY BULLETIN (11-25-19)

This is the first of our monthly winter bulletins. Schedules are moving along, should be ready around the holidays. The winter office for both tracks is at the Toledo Speedway Automotive Building on the east end of the grounds; phone number, 419-727-1100 and mailing address remain the same.

W-9 FORMS: There are about 20 of you that have not returned this form. Since we do not include your SS # on the membership forms, we need this filled out for the tax man when sending your 1099's. So...if you don't have it on file, you won't get a 1099, which means **you** will be late with your information for **your** tax man.....can download the form, under forms on both track home pages. Mail or fax to 734-847-3137 (ARCA office).

2020 SCHEDULES: We have just a few things we are working on to pretty much complete the 2020 schedules at both tracks; the plan, as in the past, is to release the schedules in mid to late December....stay tuned.

BANQUET: on November 1 was sold out, first time in several years! Many thanks to all of you that were in attendance! The 2020 banquet date is Friday, November 13.

OFF-SEASON WORK AT THE TRACKS! At Toledo, we have put a new roof on the tech barn, had a sewer line repaired and sealed the cracks in the ½ mile. **Flat Rock:** The concrete wall and catch fence between turns 1 and 2 is being replaced as you read this. We have also done some replacement/repair work on several concrete pads, and the TKC Karts are moving their storage area up by the pit sign-in. Dirt has been added to the infield and has also been re-seeded in several areas.

TOLEDO: The schedule will have some changes from the past; the first race will be the ARCA Menards East 200 on Saturday night, May 16, under the lights! The Late Model Sportsman and Factory Stocks will practice, qualify and run feature races prior to the 200. ****Flat Rock** will run on Friday night, May 15 for this weekend...more details later.
