

OBTAINING A WAIVER OR CREDIT FOR PREVIOUS RACING EXPERIENCE

If you are new to the SCCA and currently hold a competition license with another organization, or if you previously held a competition license with the SCCA but have been away for a few years, you may request a waiver to obtain a license based on your experience.

Depending on your previous experience, all or some of the licensing participation requirements may be waived.

Here are the Steps:

- 1)** Make sure you have an active annual membership in the SCCA. To check this or re-up your membership and to do the following steps, log into your account at my.scca.com. If you're not a member, you can click the JOIN NOW button.
- 2)** Take the Online Driver's School Modules 1 & 2 under the "My Learning" tab and the "Course Registration" selection page.
- 3)** Send an email to your Divisional Licensing Administrator or "DLA" (found in the chart below) based on your primary address. Include your racing resume, copies of any current licenses held, and any pertinent race results. The DLA will notify you and member services of their decision.
- 4)** If you are above the age of majority in your home state, complete the [Medical Declaration](#) annually; if you are 60-69, you must also have a doctor-completed SCCA [Medical Form](#) uploaded to your my.scca.com profile every two years; if you are 70 or older, the Medical Form must be completed and every year. If you are a minor, skip the Medical Declaration and only have the Medical Form completed and uploaded.
- 5)** Fill out the License Application form for your appropriate license as determined by the DLA. The License Application can be found at my.scca.com under the "Online Store" tab and "Licenses & Waivers" page.
- 6)** If you have any questions, please contact Road Racing (roadracing@scca.com) or Member Services (membership@scca.com)
