

Race Official License New and Upgrade Requests

New License: To request a regional specialty license, complete this form and select the **Regional** checkbox. You may also email SCCA Member Services at membership@scca.com to request a new Regional specialty license.

License Renewal: No response is required by you for renewing your specialty race official license. The Divisional Administrator has pre-approved your specialty license renewal which will renew with your membership renewal.

UPGRADE: Please specify the specialty license you are requesting an upgrade for and check the appropriate box. Submit this application to SCCA Member Services. SCCA Member Services will forward the application to your Divisional Administrator for approval.
