Note about timecards and trap speeds.

Page 2 includes a map of Road America loops to display where the segments and traps are.

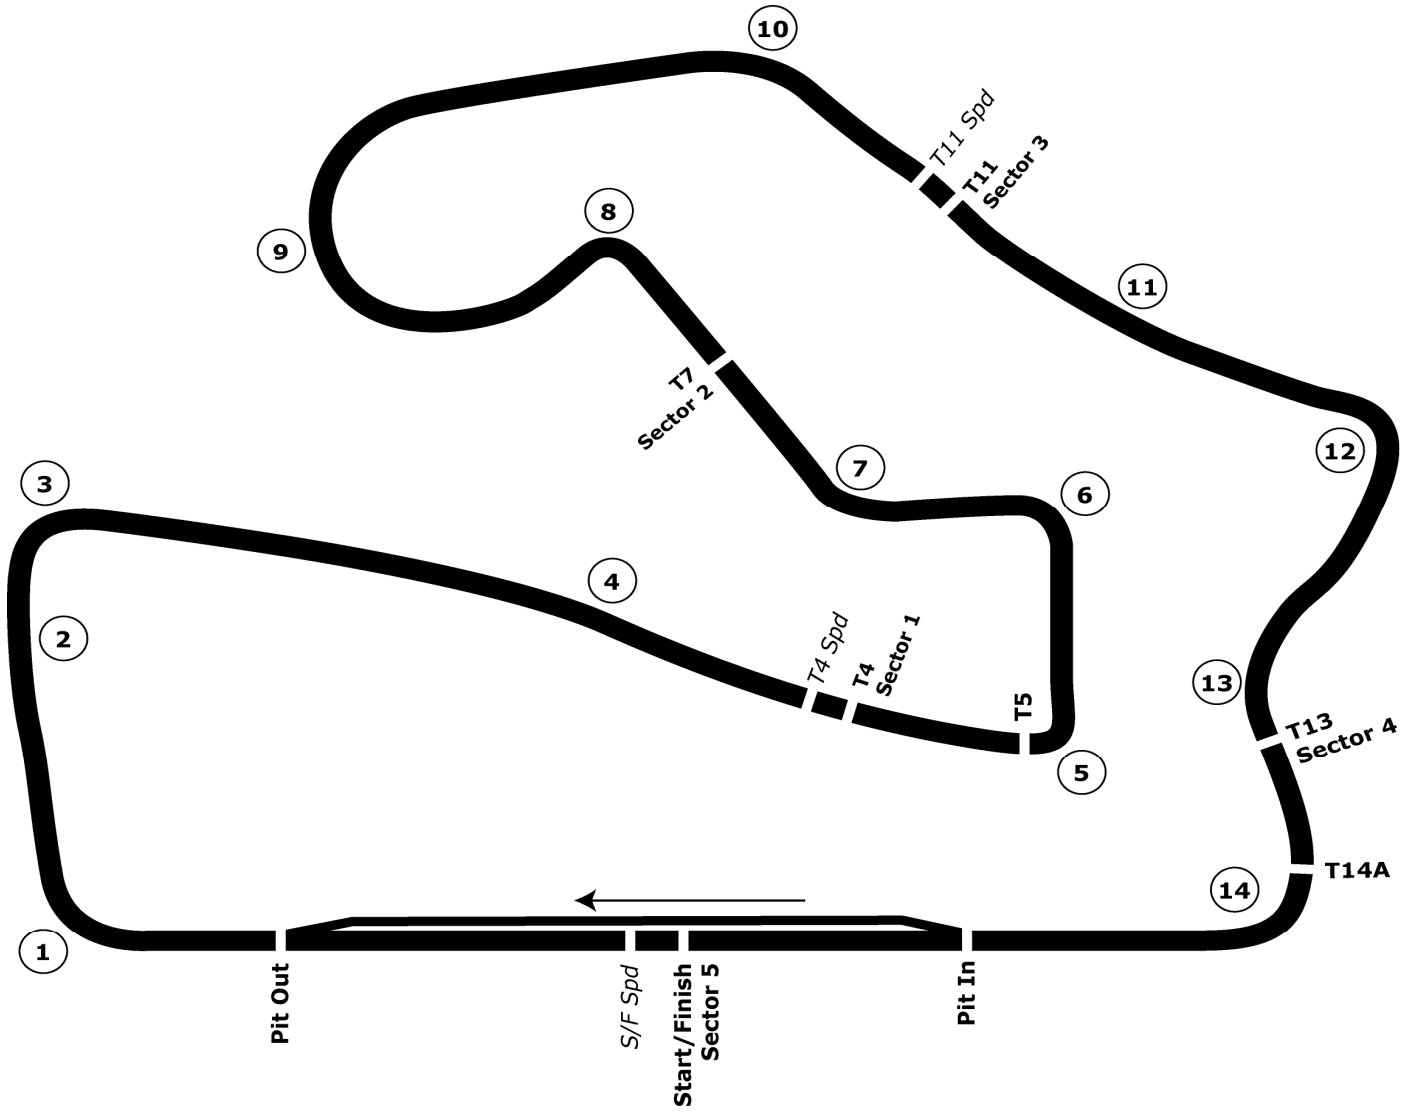

Trap 1 is at the start/finish and Trap 2 is entering turn Five.

Early week/session timecards show average speed of the segments, including the traps. Later timecards show the trap speeds and the segment times.

Data

Road America

4.048 miles

Sectors

Description	Length (miles)	Sector
Start/Finish to S/F Spd	0.02272727	S1
S/F Spd to T4 Spd	1.24643308	S2
T4 Spd to T4	0.02283775	S3
T4 to S/F	2.75620265	S4
