

Paddock Parking Information

The 2016 Runoffs will utilize the SCCA online registration and paddock reservation system that was launched in 2015. This allows drivers to enter the event and select and reserve a paddock space or garage. There will be a fee to reserve a space in advance, or you can wait until you arrive at the event where you will be assigned a free grass paddock space in a designated area, on a first come/first parked basis.

There will be a variety of sizes on pavement and grass. While there is a considerable amount of space at Mid-Ohio Sports Car Course, there are very few flat, A+ paddock spaces. You'll find that many of the spaces have character, which means they could be on a slope, contain ruts, roots, grates and holes. Please come prepared with what you may need to make your paddock space cozy and functional. Also, be prepared for rain.

1. Paved Spaces: Paddock spaces located on pavement will vary in size.

a. Lower Paved Paddock:

- i. Sizes available:
 - 1. 25' wide spaces; lengths vary between 55'-65'.
 - 2. 25'-30' wide spaces; 80' lengths
- ii. No electricity available
- iii. Lower Paddock is virtually flat in all areas

b. Middle Paved Paddock:

- i. Sizes available:
 - 1. 25' ft wide spaces; available in 60'- 95' lengths
 - 2. 30' ft wide spaces, available in 35' - 80' lengths
- ii. No electricity available
- iii. Middle Paddock includes varying degrees of slope; drain grates

c. Upper Paved Paddock:

- i. Sizes available:
 - 1. 25' wide spaces; lengths vary between 40'-65'.
 - 2. 30'-40' wide spaces; 80' lengths
- ii. No electricity available
- iii. Upper Paddock is relatively flat in most areas, a few areas are gradually sloped

2. **Grass Spaces:**

a. **East Grass Paddock:**

- i. 24'-40' wide spaces; lengths vary between 24' – 90'
- ii. No electricity
- iii. East Grass paddock has varying degrees of slope and terrain

b. **Central Grass Paddock:**

- i. Spaces are 20' - 65' wide; lengths vary between 20' – 80'
- ii. No electricity
- iii. Central Grass paddock has varying degrees of slope and terrain

c. **South Grass Paddock & Super South Paddock**

- i. Spaces are 20' – 30 wide; lengths vary from 30' – 80''
- ii. No electricity
- iii. South and Super South Grass Paddock has varying degrees of slope and terrain

3. **Garages:** Approximately 15'x31', are large enough to fit 2 cars in many cases and will include a large paved paddock space (15'x80') across from the bay (see map for specific location.) Garages include a 16' long x 3' deep workbench, 20 amp power outlets and air outlets for compressed air. Pricing will be \$1500 for the entire event including test days. There are 3 separate garage buildings.

- a. Garage East (6 bays) – Single 8' door (Garages 1-6)
- b. Garage Central (14 bays) – Pull-through garage with an 8' door on each end. (Garages 7-20)
- c. Garage West (8 bays) – Single 8' door (Garages 21-28)

***GARAGE LOTTERY* - For 2016, garages will be assigned using a lottery system.**

Beginning June 22nd, if you are interested in renting a garage, visit www.scca.com/Runoffs and select Garage Lottery from the menu on the right. Each garage lottery entry will cost the equivalent to a 2016 SCCA Runoffs event entry (\$775). Upon check out, your credit/debit card will be charged for each event entry product in your cart (Note: This does not register you for the event, it only purchases a coupon code redeemable for an entry.)

Within 7-10 days you will receive an email with a product coupon code for one (1) Runoffs entry fee for use during online registration, opening July 20th at 9 am CDT. You will be entered into the lottery one time for each paid event entry.

The garage lottery will close on July 6th. Everyone who has paid for their product coupon code and registered for a garage will be entered into the lottery. Names will be randomly selected as the garage recipients until the 28 spaces are filled. The garage reservation(s) will be added to your shopping cart on SCCA.com and you will have 24 hours to complete the payment of \$1,500 per garage.

Wait List: The remaining names will be drawn randomly to create the wait-list order. The selected recipients will be notified by July 13th. Garages remaining in carts after 24 hours will be offered to the next individual on the wait-list. Each garage must have at least one qualified registered driver assigned to it. Wait-listed individuals with an opportunity to secure a garage will be notified for confirmation.

Cancellation & Refunds: This entry fee is not subject to the cancellation and refund policy stated in the 2016 event supplemental regulations. The event entry product may be canceled if the product coupon code has not been redeemed, however a 50% cancellation fee will apply. Once a garage has been purchased, they are non-transferrable. If you do not meet the eligibility requirements and do not qualify for the 2016 Runoffs your event entry and garage fee will be refunded in full. If you need to cancel your garage for any reason, please do so in writing to the SCCA Club Racing Department at runoffs@scca.com. A cancellation fee may apply, please see the 2016 SCCA Runoffs Supplemental Regulations for details. Garages that are cancelled will be returned to SCCA and offered to the next person on the wait-list. Any garages that are not assigned/rented when general registration opens on July 20th will be included as available spots in the parking reservation system.

PREP SHOP – a commercial motorsports company that serves its customers by transporting, preparing and maintaining competition race vehicles.

A limited number of large paddock spaces (both paved and grass) will be available for pre-reservation for Prep Shop teams. Garages **will not** be included in the pre-reservation space inventory (See Garage Lottery above.) An additional convenience fee will apply to the standard paddock pricing for prep shops that opt for pre-reservation. Reservation requests will be accepted beginning **June 15th**. **The purpose of taking pre-reservations for prep shops is that there is an expectation that the prep shop transporter will use less space in the paddock for their fleet of cars than the cars would take up individually, thus fitting more rigs/race cars in the paddock areas.** To be eligible for prep shop pre-reservation you must have a transporter/trailer that measures 70' or longer and have a minimum of 3 entered race cars in your paddock area. To submit your pre-reservation request contact Claudine Stueve in the Club Racing department to make arrangements at (800) 770-2055 ext. 335 or runoffs@scca.com. Please provide the following:

1. Prep Shop Name
2. Contact Name/Email/Phone Number
3. Number of Transporters/trailers
4. Number of cars transporting, with driver names and classes
5. Total Footprint (length and width)

Prep shop paddock spots will be assigned based on requests received beginning June 22nd. The paddock spot(s) will be added to your online shopping cart. You will need to login to your profile at SCCA.com and complete the shopping cart checkout process. Any spaces that have not been paid for by July 18th will be cancelled and the paddock spot(s) will be returned to the general paddock inventory.

You may also select your spaces during online registration. If you are unable to secure your required number of adjacent spaces, you are free to ask drivers to switch spots and notify SCCA Club Racing. We may be able to assist you in space reassignment requests, in some cases. We cannot guarantee reassignment requests will be accommodated.

We will not take to pre-reservation requests for individual drivers wishing to paddock together in a group. We would like to encourage as many drivers/teams, as possible, to utilize the online paddock reservation system. This will ensure that you get the space you want.

Pricing

Based on feedback received from previous events, paddock parking spaces will be sold based on the size (surface area), surface type (paved or unpaved) and amenities (electric, water, cable, etc.) available for that space. There will be no additional charge to camp within your paddock space, however, camping is not permitted inside of the garages themselves.

PADDOCK	SIZE	AMENITIES	PRICE
Garage	15' x 30 plus 15' x 80 space	Electricity	\$1500
Paved Paddock	Varies	None	\$0.12/sq ft
Grass Paddock	Varies	None	\$0.08/sq ft
