

2019 Challenge Procedures for Crows Landing

Tire Rack Champ Tour

- ✓ General Rules:
 - Two drivers in one car are not allowed in the same Challenge.
 - Two driver teams in the same Challenge will make their decision on which driver participates in the Challenge while in Impound.
 - Each Round of a Challenge is scored independently of the other Rounds; previous times do not carry forward to the next Round
 - The CAM Challenge will be run in its entirety first and then the Bonus Challenge.

- ✓ For the CAM Classes:
 - The top 3 finishers in each CAM class are eligible to run the CAM Challenge. If one of these drivers decides to not run, the next best finisher in the class will become eligible.
 - All drivers selected will make two runs in Round 1, with the top half of the field scored on index advancing to Round 2. Drivers in Round 2 will make one run with the top half of the field scored on index advancing to Round 3. This process will continue until a Top Eliminator is determined
 - The top two (2) drivers will be awarded trophies.

- ✓ Bonus Challenge
 - Soon after the last Heat of the day is finished, twelve (12) drivers will be selected by a random draw of drivers from all Heats and all classes that are not eligible for the CAM Challenge AND have placed their name in the hat.
 - All drivers selected will make two runs in Round 1, with the top half of the field scored on index advancing to Round 2. Drivers in Round 2 will make one run with the top half of the field scored on index advancing to Round 3. This process will continue until a Top Eliminator is determined
 - The top two (2) drivers will be awarded trophies
