   • Marcus Meredith will be leaving as SCCA BOD liaison. The RXB would like to thank Marcus for his support and guidance working with the RXB over the last two years.
   • This was Keith Lightfoot’s final meeting as a member of the RXB!
   • The RallyCross Board (RXB) would like to recognize outgoing RXB member Keith Lightfoot, and thank him for his many years as a volunteer on the board. Keith joined the RXB about 6 years ago and has been a strong voice of reason and a steady guide for the RallyCross program. We would also like to thank Marcus Meredith for his guidance as our BOD Liaison, and we look forward to seeing both of them out on course soon.

9. 2021 Approved Rule Changes

Rule 3.3.C.2: ..... Tires marked “For competition only”, “Not for street use” or similar are not allowed. No part of the tire may be modified or altered from its original form, either through addition or subtraction, other than normal wear. Retreaded, recapped, and remolded tires are not permitted. No studded tires are permitted at National events unless ice or snow is present; Regional and Divisional events may allow studded tires any time....

Rule 3.3.D.12.
3.3.D.12.a: Any non-metallic bushing, including any suspension, steering rack, engine, transmission, differential, and body/frame mount bushing, is allowed but the replacement must be non-metallic and attach to the original factory location without modification.
3.3.D.12.b: Any device (pitch stop, dog bone, bobble strut, etc.) to control motion of the engine and or transmission mount may be replaced. All of the original mounting locations must be used and cannot be modified. Hardware may be changed as required for proper installation. This does not allow for subframe replacement.

Add Rule 3.3.D.25: Fenders may not be cut or flared but the inside lip may be rolled to gain additional tire clearance. The outer fender contour may not be changed.

Add Rule 3.3.D.26: Auxiliary lights (commonly called fog lights) may be removed. This does not allow the removal of turn signals, side markers, brake lights, daytime running lights, or headlights.

Rule 3.3.E.3.d: Doors, hoods, trunk lids, sunroofs, hatchbacks, etc., need not function as originally designed; however, the driver door and passenger doors (if a passenger seat is present) must maintain sufficient functionality to allow safe ingress/egress. Doors must latch securely and must be operable by a self-returning mechanism on both the inside and outside of the door. Door latches must require deliberate movements to operate and not operate with inadvertent contact.

Add Rule 3.3.E.3.k: Any minor modification, intended to allow or facilitate any allowed modification, is permitted as long as it does not provide any intrinsic performance benefit in and of itself, and is not explicitly prohibited elsewhere within these rules. This rule is intended to allow minor notching, bending, clearancing, grinding; the drilling of holes; affixing, relocating, or strengthening of brackets; removal of small parts and similar operations performed in order to facilitate the installation of allowed parts or modifications.

Rule 3.3.E.7: Any suspension and steering components may be used. This allows changes to all components and geometry.

Add Rule 3.3.E.12: Vehicles may be converted from LHD to RHD and vice-versa.

10. Motion to adjourn: Meeting Adjourned 9:14PM CST

The RallyCross Board (RXB) met via conference call on February 23rd, 2021. Attending were Charles Wright, Kent Hamilton, John England, Chris Regan, Josh Ammantrout, Gonzo San Miguel and Mark Macoubrie. Also in attendance, Chuck Dobbs and Dayle Frame BOD Liaison, and Brian Harmer with National Office.

The Secretary acknowledges that these minutes may not be in chronological order.

Kent Hamilton called the meeting to order at 7:03pm CST.

1. Additions or corrections to the agenda: None

2. Chairman’s Report: (Hamilton): SCCA held the annual convention in a virtual setting. Thanks to all the presenters for the RX sessions held.

3. Committee reports:
   - RallyCross Safety Committee (Regan)
     - Updates: No incidents. Safety training at convention went well. A couple regions are asking to train multiple individuals as Safety Stewards at the same time.

   - Rules Committee (Wright)
     - Updates: Three official requests sent to the rules committee.
     - A request was sent asking about fuel that is allowed in different classes. The committee will be submitting an official response in the next couple weeks. Rules says any fuels system but does not specifically state any fuel.
     - A request was sent on Mazda 3 suspension component. Request asked for clarification on allowed changes to five link similar to what is on a Mazda 3. The rules committee is reviewing the rules and the application of the rules. A response will be sent with a clarification in the next couple weeks.
     - A request was sent asking if a soft-top with rollbar or roll cage is acceptable. The rules do not currently allow soft-tops. A response will be sent to the requestor.
     - A committee has been formed and is working on a new rule set for the modified class that would take affect post 2021. The ruleset will focus on requirements instead of allowances.

   - RallySprint Committee (Regan)
     - Updates: NER had a RallySprint in February. Susquehanna region has gotten approval for an event at an offroad park in PA.
     - Milwaukee region is looking at having an RallySprint event and has questions about the role bar rules. The RallySprint committee will review and questions and provide response back to the Milwaukee region.

   - National Championship Committee (Gonzo and England)
     - Updates: The RXNC committee is being formed. The committee is starting to look at the supplemental rules and selecting key Chiefs.
     - Information from the last several years will be sent to the committee as supplemental data to help plan the 2021 event.
     - The National Office has sent tour agreement to the regions having Tours. Tour dates and locations are being finalized for each tour. Information will be released in the next few weeks about all tour dates and locations. The St. Louis region has confirmed a date of April 23-25 for the first Tour of 2021.

   - Divisional Steward Liaison (Macoubrie)
     - Updates: The Divisional Stewards met via virtual meeting on 2/18/21. There were five stewards in attendance.
     - Stewards discussed the new sanction process and how they may be notified when a region sends in a sanction for an event. Information will be sent back to the Divisional Stewards based on the RXB meeting. Regions will have to notify the RXDS directly.
The Stewards discussed strategies for regional growth and divisional growth including marketing ideas, starting new programs and ways to make programs profitable.

- **Growth and Development Committee (Armantrout)**
  - Updates: The Growth and Development Committee for 2021 has been formed. The GDC is currently working on scheduling meetings and defining initiatives. Meetings will start next month. The committee has numerous ideas and are vetting the ideas to determine highest priorities.

4. **Old business:**
   - Town Hall Q&A Responses (Hamilton): All items that were not addressed in the 2020 town hall were addressed during the February 2021 town hall. Several people expressed how great the Whoova app was and the success of the virtual convention.
   - 2021 Sponsors? (Macoubrie): There has been no official announcement on a 2021 RX sponsor. The SCCA is still working with sponsors for the 2021 season.
   - TripleCross Trophies (Macoubrie): The TripleCross trophies were held up due to COVID-19. The trophies are currently being produced and will be sent to competitors as soon as they are completed.

5. **New business:**
   - Development of one-page Drone use guide (Armantrout): There has been a lot of discussion both locally and nationally about how to get drone use approved for an SCCA event. There is a complex process on the FAA side. There are also specific requirements for FAA license and insurance to allow drones at an SCCA event. Josh will be working with the national office to create a drone use guide that can be used to acquire approval to use drones at an SCCA event.
   - Discuss possibility of simplified Drone insurance application/policy with Haggarty? (Armantrout): The RXB and National Office discussed the possibility of Haggarty or K&K offering drone insurance as an option for events. The National Office will review the possibility and report back to the RXB.
   - Regional team points championship (Armantrout): The RXB discussed the possibility of adding a regional team points challenge. The points would be based on participation at national events. The format and viability are still being explored. The RXB will work on a set of rules for the competition including how the points would be accumulated and how a championship region would be determined.
   - RXNC Rookie of the Year award (Armantrout): The RXB discussed the possibility of adding a Rookie of the Year Award for the National Championship. The RXB will be asking the RX community for input on a Rookie of the Year award and deciding if a Rookie of the Year award will be added for the National Championship.
   - RXNC Race of Champions (Armantrout): In 2005 and 2006 the RNXC had a race of champions after the completion of the National Championship. The RXB is looking at bringing this feature back to the RXNC including reviewing what type of vehicle could be used, number of runs and how it may be integrated into the event.
   - UTV Class at National Events (Armantrout): The RXB discussed the possibility of adding the UTV class as a national events class prior to it becoming a nationally required class. More discussion is required with the national office.
   - Nationals Event Steward (Wright): The RXB discussed the requirements for Event Stewards from outside the host region and how that will be addressed for the 2021 National Tour events. There are ongoing discussions about how this is addressed in the national tour contractors and what responsibilities are held by the national office and region.

6. **Motion to adjourn:** Meeting Adjourned 9:47PM CST

7. **Next RXB Meeting March 30, 2021.**
The RallyCross Board (RXB) met via conference call on March 23rd, 2021. Attending were Charles Wright, Kent Hamilton, John England, Chris Regan, Josh Armantrout, and Gonzo San Miguel. Also in attendance, Chuck Dobbs and Dayle Frame BOD Liaison, and Brian Harmer with National Office.

The Secretary acknowledges that these minutes may not be in chronological order.

Kent Hamilton called the meeting to order at 7:03pm CST.

1. **Additions or corrections to the agenda:** None

2. **Chairman’s Report:** (Hamilton): No Report.

3. **Committee reports:**
   - **RallyCross Safety Committee (Regan)**
     - Updates: A note was received from a Solo Safety Steward on some video from a SCCA RX event. The safety committee reviewed the video and had a discussion with the region Safety Steward.
     - Brian Harmer will send a list of Safety Stewards to Chris as of Q1.
   - **Rules Committee (Wright)**
     - Updates: Five open clarification
     - Rule 3.3.e.9 added any fuel type to fuel system includes fuel type.  The safety committee does not interpret this as being authorized. Charles propose as change for the 2022 rules but not authorized. In a multi-link one a lateral link and a spring perch. If spring perch changes allowed but it not than should not be allowed. Do not introduce a change not allowed in other changes.
     - Change to language in intake system in prepared. Committee not ready to provide final response. Christian Retterer provided proposed wording changes. Charles Wright reviewed Solo Street rules. The RXB will review the proposed language at the next RXB Meeting.
     - New request received to piggy-pack electronic engine controls. The mod would allow changes including launch control etc. The rules committee is reviewing the request.
   - **RallySprint Committee (Regan)**
     - Updates: Committee agrees there is an error and omission for RallySprint 2 and 3 that the car needs to be log booked. Chris Regan made a motion to remove the requirement from two and three. Josh Armantrout seconds the motion. The rules change will be completed by email. Motion Passes.
     - Suggestion made to add Dan Kelly to the committee. Dan started Milwaukee Region and is involved in Stage Rally event. Dan is also very familiar with all levels or Rally and is well organized. Dan has been a driving force to get a RallySprint program ready in the Milwaukee Region.
     - RXB reviewed the discussion on Facebook about the RallySprint rules. One area that is a question mark is the RS1 minimum requirements. If people are trying to build a car specifically for RallySprint what are the requirements. The RallySprint Committee will review and provide clarification. The may be more than an Errors & Omissions modification.
   - **National Championship Committee (Gonzo and England)**
     - Updates: Last week the RXNC-PC got together and went over the National supplemental rules. The committee only had a few changes to the rules. Some of the recommendation were resolved. RXB reviewed the changes to the supplemental rules for the 2021 National Events. A copy of the rule will be sent to the hosting regions.
   - **Divisional Steward Liaison (Macoubrie)**
Updates: No Update

- Growth and Development Committee (Armantrout)
  - Updates: The GDC had their first meeting. The GDC discussed the field guides and building a one-page primer on the use of drones at an event. The GDC plans to convert concepts in the field guide into one-page intros. The committee has started working on the intros. The GDC is also worked on a scoring formula for regional team’s competition at national events. A lot of variables are be considered.

4. Old business:
   - DirtFish will not be a sponsor in 2021.
   - RXB discussed Rookie of the Year Trophy for the National Championship.
   - Final Run Group Program – RXB discussed a potential Final Run Group program concept for the National Championship.

5. New business:
   - RX App – RX app has been cancelled. SCCA will be using a text notification system in the future at National run events.

6. Motion to adjourn: Meeting Adjourned 8:14PM CST
