

Runoffs Report (Drivers/Teams) - September 6, 2024

It's Fri-Yay!

Not only is it Fri-Yay, but we're just three weeks away from loading into the paddock for the 60th Anniversary SCCA National Championship Runoffs presented by Sunoco! That means the Runoffs Team is only in the office for two more weeks. How did time fly by so fast?

Here are some key things to know today:

5th Annual Charity Golf Cart Parade

This will mark the 5th annual charity golf cart parade on Wednesday, October 2 and lead into another favorite, the SCCA Block Party! Proceeds from the Golf Cart Parade will again benefit Lemons of Love, an organization with deep motorsports ties that provides care packages to people affected by cancer. The parade will step-off from the viewing town in the North Paddock, near the main tunnel, at approximately 6:15 pm. We will make a pass by victory circle where our expert cart announcers will make the parade call. We will then make our way around the paddock ending up at a block party stop. So, it's time to start planning, get out those arts and crafts supplies and let those creative juices flow! Your goal is to raise money for your cart. Drivers, workers, crews, friends and family will "vote" with their dollars and the cart that raises the most money will be crowned the 2024 Golf Cart National Champion and win a major award! Teams can register early online at www.scca.com/cartparade. We will post the registered cart list so you can begin promoting your cart and collecting donations! Once you arrive at the track, swing by the SCCA Staff Office in the Paddock Press room next to the Sunoco fuel pumps to pick up your cart number. Prep Shops! Crew Registration

Prep Shops, please register your crew now! If your prep shop was pre-assigned a paddock space, then you already have a record in the event. Please log in to your prep shop profile and edit that record to add your crew names. Your prep shop profile is where your paddock parking assignments have been added, too. If you don't have your Prep Shop profile login, please contact MotorsportReg at msrhelp@motorsportreg.com for assistance. Here are some additional instructions on:
