

Runoffs Report (Workers) - September 30, 2024

Prepare to qualify...

Testing is complete and we are ready to begin qualifying for the 60th Anniversary SCCA National Championship Runoffs presented by Sunoco!

Here is the news and information you need to know today:

Notes from Race Director Steve Pence:

Please be advised that Rettich Rd. along the Tech Center Building is one way south to north. Do not attempt to enter that lane from the north side of the Tech Center - this applies to all motorized vehicles, *including golf carts!*

Please do not park in the impound area. As of tomorrow, it will be blocked off by fencing.

Worker Water Bottles

We have shipped in some small plastic fillable water bottles, many of them were distributed by the Race Chair team today, however we do have a few remaining. If you would like one, please coordinate with your specialty chief and they can share the totals needed with Race Chair and get them to you tomorrow.

Flag Meetings

Flag meetings will continue to be scheduled at 7:00 am at the Road America Center.

Evening Activities

We will have an official worker social Tuesday evening after on-track activities at the Road America Center with a Mexican buffet and an assortment of cold beverages. Be sure to join us for some after Q1-fun!

Golf Cart Parade

If you're interested in participating in the golf cart parade Wednesday night before the Block Party, please stop by the SCCA Staff office—the building at next to the Sunoco Fuel pumps, and register for the parade. Get your creative juices flowing, decorate your cart and raise some money for a great motorsports-based charity—Lemons of Love.
