

Runoffs Report (Drivers/Teams) - October 4

We saw some fantastic battles to start the first day of racing! Congratulations to the winners of the first nine races at the 60th Anniversary SCCA National Championship Runoffs presented by Sunoco.

Here is the news and information you need to know today:

Notes from Race Director Steve Pence:

For those of you over 115% of the fastest qualifying time in your class, remember that you will not be on the final grid unless you've gotten permission from me. It's up to you to make your case.

Road America Events This Weekend

The Briggs and Stratton Motorplex will be open Saturday and Sunday for public karting. If you have some down time, stop by!

The Fear Fest is also open this weekend. Be prepared for additional traffic on the west side of the facility in the Carousel area. If you're looking for a scare, check it out!

Injury Report

Many have been asking and concerned about the condition of some of our fellow racers that were transported after incidents earlier this week. We have an update on several drivers.

Jim Drago (SM) and Danny Steyn (SM) both remain hospitalized for treatment of their injuries. Both teams are appreciative for the well wishes and expressed that each driver will have a long recovery ahead.

Lou Gigliotti (GT2) will be headed back to Texas on Saturday, per his family. He is on the mend.

Chuck Mactutus (SM) was treated and released, returning to the track on Thursday.
