Protest Report

Protest Filed: 24-May-2025 12:09:51

Protest Filed by: Steven Hughes DST - 187 - Scion/FRS	Protest against: Kevin and Dee Dietz SSC - 69 - Scion/FRS
--	--

Section Protested: Section 20 SSC Specs

Protest Description:

1. Driver and Passenger 3/4 windows have illegal modification
2. Rear Window has illegal modification
3. Rear bumper lower sides has illegal modification.

SSC does not permit for aftermarket louvers and aerodynamic modifications.

Protest Committee Decision:

Protest Committee Decision: The PC (Protest Committee) met and spoke with both the protestor and protestees to listen and consider their input regarding the modifications done to the #69 SSC Scion/FRS vehicle. The PC inspected the protested vehicle and observed an aftermarket rear window louvre, aftermarket side window louvres and aftermarket bumper air deflectors. The committee reviewed the 2025 SCCA National Solo Rules section 20.4.A Bodywork, which states: "Accessories, gauges, indicators, lights, and other appearance, comfort-and-convenience modifications which have no effect on performance and/or handling and do not materially reduce the weight of the car are permitted." The opinion of the PC is that these aftermarket modifications are not legal per 20.4.A as they have an aerodynamic effect and deemed the car to be non-compliant. However, the PC also is taking into consideration that fthese modifications have been present on the car for local and national competition for 7 years fand the protestees' willingness to remove them due to the concerns. As such, the decision of the PC is to not issue a penalty, the protestees were instructed to remove all aftermarket products that were subject of this protest, and the vehicle would be allowed to compete in the challenges.

Findings: The protest is well founded and upheld. The car is deemed non compliant but no penalty issued. The protestees are instructed to remove the aftermarket parts.
