- Rain gear (including boots and rain suit)
- Tubs to protect your belongings
- Extra change of clothes (including shoes and socks)
- Towels

For the perfect days, you'll still need to bring provisions:

- Hats
- Comfortable shoes (maybe more than 1 pair)
- Chapstick
- Chair (for your rest heats)
- Snacks
- Drinks (plan for water and electrolyte drinks)
- CASH, yes CASH! For on-site lunch
- Layers- the mornings will be cool
- Sunblock (YES! Sunblock in OCTOBER!)
- Sunglasses
- Helmet!
- License!
- This list is just a primer; think of all the things you'll need to make your weekend successful and yourself comfortable!

Plan your trip:

- As you get closer to Hollytree Offroad, your internet service (depending on your carrier) could drop off. Have your trip downloaded so you are not dependent on service.
- There is not a lot around the site, so plan fuel and food stops on your way in.

Waivers:

- When you arrive on site, you and your guests will be required to sign the waiver or show proof that you have already done so.
 - Proof that you have already signed the waiver

- Show a [Speedwaiver](#) on your phone (text message on your phone with a title of “You’re all set”)
- Show your SCCA card that has your annual waiver license on the back OR pull up your SCCA card from my.scca.com to show your annual waiver (under your photo, click “My Membership Card)
- If you or your guests must sign the waiver, you will also be asked to show a photo ID.
- Minors: The age of majority in Alabama is **19**. Anyone under that is considered a minor and needs the consent of BOTH parents to be in hot areas (such as grid or course). Minors can stay in cold areas without issue.

Tech & Disclosure Forms:

Print your Self-tech and Disclosure Forms and bring them with you to RallyCross Nationals to make your trip a little easier.

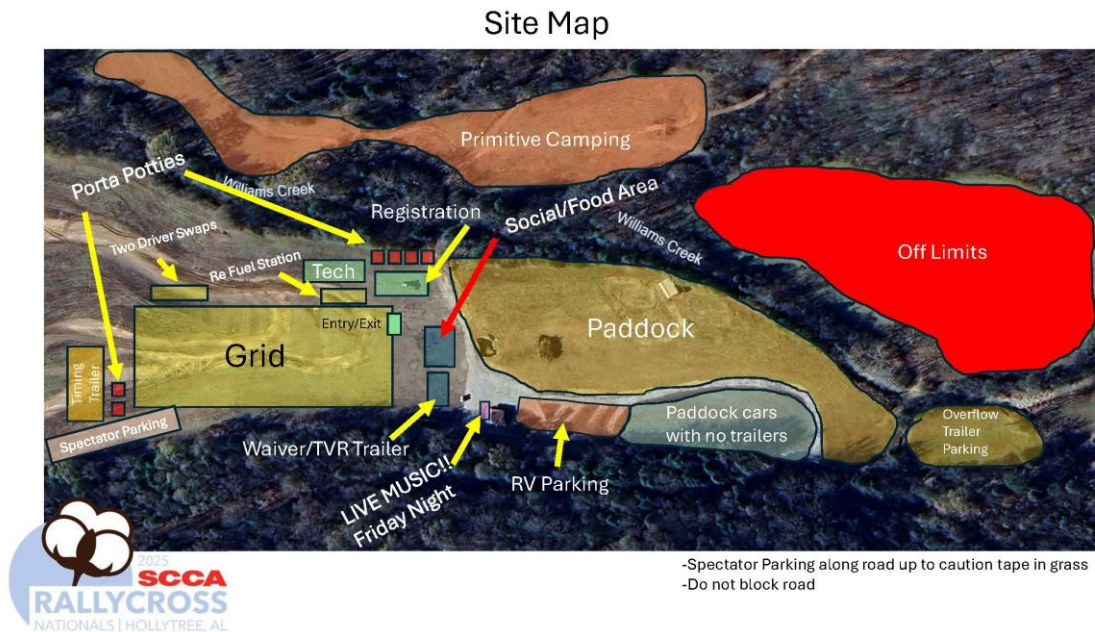

- **DISCLOSURE FORM.** You'll need one for class inspection on Friday morning. Print your category's form here: [STOCK](#). [MODIFIED](#). [PREPARED](#). [UTV-SPORT](#). [UTV-MAX](#). [RALLY TRUCK](#).
