

Race Director's Briefing

Hoosier Racing Tire SCCA Super Tour Presented by Atlanta Region

Kathy Barnes

Welcome Drivers!

On behalf of the SCCA and Atlanta Region, welcome to the 2026 Hoosier Racing Tire SCCA Super Tour. Thank you for your support of this event. Our team is ready for a safe, fair, and fun weekend.

For all participants joining us at Michelin Raceway Road Atlanta, please make sure you download the Sportivity app, and input the event password: **26-HST-ATLANTA**. We will be using this app to communicate updates, calls to grid, plus it's a bulletin board to find all pertinent information about the event.

Paul Capel, the Assistant Race Director, Bob Hudson, the Chief Steward, and I look forward to meeting you at the Drivers' Meeting in Impound Friday morning after your qualifying session. We will be joined by Greg Amy, SM/SMX Class Ambassador for groups 1 and 6. We will be brief.

- Review the track and know where it is safe to pull off when you have a mechanical problem. Slow for yellows. Be aware of cars around you and leave racing room. Clean, hard racing is what you came here for. Make it happen
- If you are involved in contact, please let me or Paul know in impound immediately following your session. If your car is towed to paddock, please just come see us on foot and bring your video card.
- In the 2026 GCR, there is no passing under a Black Flag All condition.
- Race Groups 1-4 will have 35-minute races on Saturday and 25-minute races on Sunday. Groups 5-8 will have 25-minute races on Saturday and 35-minute races on Sunday.
- Sunday quiet hours at 10AM- Noon. No race engines may be run.

Here are some things to remember before you arrive at the track:

- Your transponder & Flagtronics numbers are **ACCURATELY** updated in your MotorsportReg account.
- And your Flagtronics firmware is updated to **REQUIRED version: 0.9.0.0**. If you are unsure or need to update your unit, the necessary links are available in the sidebar here: www.scca.com/atlantasupertour.
- Your camera is charged and mounted, and that your memory card has room for all sessions. Also, don't forget to turn your camera on before each session. It's not enough to just have a camera, you must record video too. Make sure it works!

The Hoosier Racing Tire SCCA Super Tour showcases the best competition in our club. We all own that goal. Race hard, be the driver that you want to have next to you on track. We are all here to have the best weekend ever, so please let us know if we can help.

See you at the track!
