

Race Director's Briefing

Hoosier Racing Tire SCCA Super Tour Presented by Oregon Region

Kathy Barnes

Welcome Drivers & Volunteers!

On behalf of the SCCA and Oregon Region, welcome to the 2026 Hoosier Racing Tire SCCA Super Tour. Thank you for your support with this event, and our team is ready for a safe, fair, and fun weekend.

First off, volunteers, we cannot thank you enough for being here to make this event happen! Your hard work allows drivers to have #funwithcars, and we hope that they will put on a great show. We appreciate the great turn out of SCCA volunteers.

For all participants joining us at Portland International Raceway, please make sure you download the Sportivity app, and input the event password: **26-HST-PORTLAND**. We will be using this app to communicate updates, calls to grid, plus it's a bulletin board to find all pertinent information about the event.

A reminder that gear must be checked annually, as evidenced by a current-year helmet sticker per GCR 9.3.19.A

Drivers, here are some things to remember before you arrive at the track:

- Your transponder & Flagtronics numbers are *ACCURATELY* updated in your MotorsportReg account.
- And your Flagtronics firmware is updated to the latest version available here: www.scca.com/portlandsupertour
- Your camera is charged and mounted, and that your memory card has room for all sessions. Also, don't forget to turn your camera on before each session. It's not enough to just have a camera, you must record video too.
- The track has a very strict sound policy - please make your car as quiet as it can be for every session.

Driver's meeting will be Saturday morning after your qualifying session at the impound area. Even if you do not go out for the session, please come to the meeting.

The Hoosier Racing Tire SCCA Super Tour showcases the best competition in our club. We all own that goal. Race hard, be the driver that you want to have next to you on track. We are all here to have the best weekend ever, so please let us know if we can help.
