

Event Race Director's Briefing

Hoosier Racing Tire SCCA Super Tour Presented by Chicago Region

Joe Stadelmann

Welcome Drivers & Volunteers!

On behalf of the SCCA and Chicago Region, welcome to the 2026 Hoosier Racing Tire SCCA Super Tour. Thank you for your support with this event, and our team is ready for a safe, fair, and fun weekend.

First off, volunteers, we cannot thank you enough for being here to make this event happen!

For all participants joining us at Road America, please make sure you download the Sportity app, and input the event password: **26-HST-ROADAMERICA**. We will be using this app to communicate updates, calls to grid, and for all other pertinent information about the event.

Bev Heilicher, the event's Chief Steward, Jeffrey Niess the Assistant Race Director and I look forward to meeting you at the Drivers' Meeting in Impound Friday morning after your qualifying session. We will be joined by Greg Amy, Class Ambassador for SM/SMX in Groups 1 and 5. We will be brief.

A green flag session is up to you. Review the track and know where it is safe to pull off when you have a mechanical problem (and please stay in your car unless it is on fire). Be aware of cars around you and leave racing room. Clean, hard racing is what you came here for. Make it happen.

Slow for yellows. Overdriving yellow flags has been a problem here in the past and it was a problem at Mid-Ohio a few weeks ago. Please don't scare our safety workers. Our rules say that you must slow "significantly" for yellows. If the workers complain about your speed, that will be considered not slowing enough. Conduct under yellow flags will be strictly enforced and penalized accordingly.

If you do not make it out for qualifying, please come see me for permission to race well before you go to grid. I can also fill you in if you missed the drivers meeting. If you do make it out for qualifying, our Clerk of the Course has elected to display the Double Yellow flags on the out-lap from Alpha to 8.

If you are involved in contact, please let us know in Impound immediately following your session. If your car must be towed into your paddock, please just come to see us on foot and bring your video card.

Drivers, here are some things to remember before you arrive at the track:

- Your transponder & Flagtronics numbers are *ACCURATELY* updated in your MotorsportReg account.
- Your Flagtronics firmware is updated to the latest version available here:
www.scca.com/junesprintssupertour
- Your camera is charged, mounted, and turned on and your memory card has room for all sessions. It's not enough to just have a camera; you must record video too.

The Hoosier Racing Tire SCCA Super Tour showcases the best competition in our club. We all own that goal. Race hard, be the driver that you want to have next to you on track. We are all here to have the best weekend ever, so please let us know if we can help.
