Protest Report Protestee - Intends to File appeal

Protest Filed: 04-Jul-2026 16:09:13

Protest Filed by: Chris Raglin EP - 91 - Honda Civi	Protest against: Rob Keehner / Duane Black EP - 70 - Honda Civic
---	--

Section Protested: 17.1. And 17.2

Protest Description:

Wing mount is serving a prohibited function of also being an end plate and exceeding 200 sq in.

Protest Committee Decision:

The PC finds the design of the wing mounting structure serves as an endplate, attached to what the competitor contends is the endplate, and exceeds 200 sq inches (16 3/4 inches x 39 inches). The wing was documented with photographs, measurements by tape measure, and video walk around for purposes of appeal. Consistent with prior pentalties for endplace protests at Solo Nationals, the PC assigns 2 seconds to each run for the car.

SOLO NATIONAL APPEALS COMMITTEE

On 7/22/26, the Solo National Appeals Committee held a conference call to consider an appeal from the 2026 Bristol Solo National Tour. Present on the call were Jeff Cashmore, Mike King, David Marcus, and Daniel McCelvey.

FACTS IN BRIEF

On 4/7/26, Chris Raglin, EP #91 protested Rob Keehner / Duane Black, EP #70 for a wing mount serving a prohibited function of an endplate and exceeding 200 sq in. The Protest Committee found the car illegal and assessed a 2 second penalty for each run of the car.

DOCUMENTS AND OTHER EVIDENCE RECEIVED AND REVIEWED

Appeal letter from Keehner and Black.
Pictures of the vehicle.

FINDINGS

The NAC agrees with the PC that the wing mounting structure serves as an endplate and exceeds 200 sq inches.

DECISION

The NAC upholds the decision of the PC. The appeal is well founded and the appeal fee, less the amount retained by the SCCA, will be returned. The NAC recommends that the SEB/PAC add an end plate definition to the Solo Rule book.
