Event Race Director's Briefing

Hoosier Racing Tire SCCA Super Tour Presented by TVR and Alabama

Joe Stadelmann

Welcome Drivers & Volunteers!

On behalf of the SCCA, Tennessee Valley Region and Alabama Region, welcome to the 2026 Hoosier Racing Tire SCCA Super Tour. Thank you for your support with this event, and our team is ready for a safe, fair, and fun weekend.

First off, volunteers, we cannot thank you enough for being here to make this event happen! Your hard work allows drivers to have #funwithcars, and we hope that they will put on a great show.

For all participants joining us at Barber Motorsports Park, please make sure you download the Sportity app, and input the event password: **26-HST-BARBER**. We will be using this app to communicate updates, calls to grid, and for all other pertinent information about the event.

This will be the largest car count ever for an SCCA event at Barber Motorsports Park. Thank you again for being part of it. Please prepare yourself and your crew to be patient with the load-in on Friday evening. Our volunteers have a lot to do and will be working hard. Be patient with our volunteers. Be patient with your fellow competitors and crews.

A green flag session is up to you. If you have a mechanical problem, please pull off in a safe location, stay in your car and try to signal workers that you are OK. Slow "significantly" for yellows. Be aware of cars around you and leave racing room. Clean, hard racing is what you came here for. Make it happen.

The Clerk of the Course has elected NOT to use double yellow flags on the out-lap of qualifying. Our groups are large, be aware of cars coming around. Please watch your mirrors and be courteous.

A reminder that gear must be checked annually, as evidenced by a current-year helmet sticker per GCR 9.3.19.A

Drivers, here are some things to remember before you arrive at the track:

- Your transponder & Flagtronics numbers are *ACCURATELY* updated in your MotorsportReg account.
- And your Flagtronics firmware is updated to the latest version available here: www.scca.com/barbersupertour
- Your camera is charged and mounted, and that your memory card has room for all sessions. Also, don't forget to turn your camera on before each session. It's not enough to just have a camera, you must record video too.

The Hoosier Racing Tire SCCA Super Tour showcases the best competition in our club. We all own that goal. Race hard, be the driver that you want to have next to you on track. We are all here to have the best weekend ever, so please let us know if we can help.
