Race Week Email Update

Hoosier Racing Tire SCCA Super Tour Drivers

Hello Drivers,

We are looking forward to seeing you and more than 200 of your fellow racers later this week at the Barber Motorsports Park Hoosier SCCA Super Tour presented by the Alabama & Tennessee Valley Regions! This email contains important information that you should read before you get to the track.

Drivers, if you are with a prep shop, please take a moment and forward this email to your team. It's important for everyone to be well informed.

STAY CONNECTED

If you haven't downloaded Sportity yet, please take a moment to do so. This free app will be your bulletin board and PA system in your pocket for the event. You'll be able to easily access the supps, schedule, results, and get updates live. Paddock PA may be difficult to hear in the upper tiers and Lot C, so Sportity will be used to ensure timely communication. There's no need to create an account, just use Event Password: **26-HST-BARBER**

DRIVER BIO SUBMISSIONS

Each Hoosier Super Tour weekend features a multi-camera, live broadcast provided by DriversEye Live on the SCCA's YouTube channel (https://youtube.com/@sccaofficial) and additional content will be featured on SCCA's social media channels. Our announcing and marketing teams would like to know more about you! Please go to https://forms.gle/sVvgr2EAVQbfLbq97 and enter a driver bio for *each class you will be racing in*. If you've already submitted a bio for *the 2026 season* there's no need to do it again. Unfortunately, the bio form does require that you to have a Google/GMAIL account. If you do not have one, please email SuperTourAnnouncers@gmail.com and we'll assist you in entering your data.

SHARE YOUR MEMORIES

We will have a Barber-specific Memento photo/video album for drivers and volunteers to share their memories of this inaugural Super Tour at this gorgeous venue. Share your photos and videos throughout the weekend by visiting https://albums.memento.com/barbersupertour/view or emailing: barbersupertour@submit.memento.com. We can't wait to see the event through your lens!
